

23<sup>rd</sup> May 2016

Dear Parents,

Thank you very much for the slips which have been returned concerning the hosting of pupils. We are really delighted that some families have already indicated that they will be hosting a child. The deadline for returning the slip is **30<sup>th</sup> of May 2016**.

Please note that from **Wednesday 25.5.2016 – Friday, 27.5.2016 there will be no school**.

Lessons will begin again on Monday, 30.5.2016.

From Monday 30.5. – Tuesday 31.5.2016 **facilitator for our school, Stefan Marien** will be around.

I would like to remind you once more about the **International Children's Day on 1.6.2016**, which has been organized by the Parents' Group. The activities for the children will begin at 2 p.m. It would be nice to have as many children as possible participate in the event.

A very big thank you to the Parents Group for organizing the event!

Meanwhile, we have already sold a number of tickets for our **Gala-Evening at the Golden Tulip on the 18th of June 2016** – we are happy about that.

We would be delighted to have even more parents and friends of the school join us celebrate together that evening. Tickets can be bought daily (except on Wednesdays) from Faustina in her office between 8 a.m. and 3:30 p.m.

An increasing number of runners have registered for the **run on morning of Saturday, the 18.6.2016** – we are especially delighted about that as well! The more runners we have the more

interesting the event is going to be. You should not hesitate to join in it is going to be an exciting sporting experience for adults and children!

The list for registration can be found on our movable pin wall.

Talking of list – since Monday, 13.5.2016 the **list for volunteers for the Open Day** has been out.

Thank you very much for your support!

You will find the **updated holiday plan for the 2016/ 2017** academic year. Please only use this version.

The longer holidays have **not changed**. Only two holidays have been added, these are known public holidays but have never indicated as such in the plan. (Independence Day i.e. 6th of March and 1<sup>st</sup> of May).

The planned inauguration of the solar plant has been delayed to due very tight schedule at the German Embassy.

Work in our **new music room** is on-going and will be completed latest by the end of May.

Also the Ghana Water Company has been able to repair the **pipe on our playground**.

Our gardeners will now begin working on our small **nursery garden**, so that the children will be able to play there again.

Since there have been problems with the pipe every now and then over the past years, the board together with the Ghana Water Company will soon be working out a long-term solution.

That is all for today!

Have a relaxing time during the free days.

Best regards,
