

Accra, 5.5.2017

Dear Parents,

As already announced, this year our project week is going to take place from Monday, 15.5. till Friday, 19.5.2017. In the **nursery, kindergarten and in school** the topic will be “ The village of many languages“. It is a special village with a travel agent, a medical lab, a post office, a carpenter’s shop, a library, an art gallery, a coffee shop and a concert hall.

From 10 a. m. on Friday, 19.5.2017, you are invited to take a walk through this multilingual village and experience the different surprises on offer.

The presentations in the concert hall will take place at **10.30 a.m. , at 11 a.m. and at 11.30 a.m.**

All other activities will not be limited to any specific time.

We look forward to your visit!

During the project week, Extra Curricular Activities will be taking place as usual.

The village of many languages will close its gates on Friday, at 2.30 p.m.

On consultation with the Parents’ Group, it has been agreed that at the end of the project week, there is going to be a **mini flea market**. The parents have already displayed the information and a list for those interested to fill in on the movable pin wall. So if have any items for sale or are looking for some specific things to buy, that would certainly be a good opportunity. **The setting up for the flea market will be done between 12 noon and 12:30 pm. right in front of the lunch hall and sales will begin at 12.30 p.m.**

The Parents Group will provide any further information.

Linda Stepper has been able to contact **Anthony Baffoe** and has invited him to our school to participate in one of our Time for Talents lessons. Thank you very much!

The Ghananian, Anthony Baffoe was a successful player in the German Bundesliga and at that time, he considered himself as a German footballer with African roots. Currently Baffoe occupies several functions for the African Football Confederation (CAF), Baffoe is a FIFA Ambassador for campaign against racism, a FIFA ambassador for SOS Children's Village.

He speaks fluent German and has declared his readiness to speak with our pupils mainly about his career and also the advantages of speaking several languages. Mr. Hoffmann is going to prepare the interview, which will take place on **Tuesday, 9.5.2017 from 2:45 p.m. till 3:45 p.m.** in our lunch hall with interested pupils.

That is all for today. I am available, in case you have any further questions.

I would like to wish you all a nice weekend!

Best regards,

Ariane Pentz
