

Dear Parents,

In just a few days the 2016/ 2017 academic year will be coming to an end.

Luckily we have been able to find a qualified kindergarten teacher for the position that was still open. **Paloma Moreno Doria** is a trained kindergarten teacher, who was trained in Spain and has three years working experience. She worked for two years in a kindergarten in London. We are happy to have her join our early childhood team from the beginning of the new academic year. You will find her profile on our movable pin wall.

Our end of academic year celebration will be taking place on **Wednesday, 21.6.2017 at 5 p.m.** on the basketball court. Together with the pupils we have put together a short program. As usual, we use the time to say good-bye to some of our children, parents and teachers. We would be very happy if you could have time to join us as we end the academic year.

The extra curricular activities will be taking place as usual on that day. Between 4 p.m. and 5 p.m. there is going to be supervision available on the school compound, so that children whose parents are unable to pick them between the time when school is over and the celebration are supervised

On **Friday, 23.6.2017** the report cards will be handed out to the children. Lessons will be over at 12:30 p.m. as usual. The After School Care will also be open till 3 p.m. as usual.

The **first day back in school in the 2017/ 2018 academic year is on Monday, 14.8.2017.** The academic year will start at 8 a.m. with a small opening ceremony and celebration.

Mr. Nagel, the new head of school will be sending you another parents' letter with further information.

Your children will receive the yearbook latest by the 23.6.2017. At this point I would like to say a special thank you to Joanna Klu, who has invested much time and effort in once again putting together a very lovely yearbook.

I hope we will see each other on the 21.6.2017 – if not, I would like to seize this opportunity today to already wish you and your children relaxing holidays and would like to refer to my greetings in the yearbook, where I officially say good-bye after 4 years at the GSIS.

Please take note that as from the 1st July 2017 Mr. Nagel will be taking over the email address: headmaster@gsis-accra.org.

Best regards,
Ariane Pentz
