

05.12.2017

Dear Parents,

An eventful year is about to end for us all and we would like to thank you very much for your dedication to the GSIS.

It's only through your active participation that feasts like the recent St Martin's Day could be organized and celebrated so wonderfully.

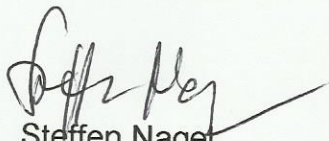

I would like to make special mention of the parents who were involved with the work on the school compound. A very big thank you to all the diligent parents!

Another highlight in the pre-Christmas season is awaiting us on the 06.12.2017. There will be some nice presentations which are intended to get us in tune for the Christmas season.

I would like to seize this opportunity to express my gratitude to you for the manner in which you welcomed me, enabling me to feel comfortable at the GSIS in such a short time

I would now like to wish you, your children and family a reflective Christmas time and all the best in 2018.

Best regards,

Steffen Nagel
Headmaster
