Our pupils will also be writing the **Primary/Secondary- Checkpoint** as part of the Cambridge-Programme.

Dear parents, we keep on getting information, that your children will not be able to participate in leassons on certan days due to personal reasons.

I would to once again like to mention that generally school attendance is compulsory and it it is not for the parents to decide if the children should stay at home or not. (with the exception of illnesses). You can write a letter requesting to be excused from school. This must include the reasons for the request.

Best regards,
Steffen Nagel
