

Dear Parents,

12.11.2018

The Christmas season is approaching very fast. . With this letter, I would like to once again take a review of the past weeks and also short preview of the days ahead.

Chance for Children-Sponsored Run

It was nice to see that on the 03.11.2018 so many pupils, teachers and guests participated in the sponsored run.

In all, a total of over 27000 GHC was donated for the street children's project. That is an amount which we can be proud of.

Please pay for the pledges within the next days, so that we will soon be able to hand over the money to CfC.

Peer- Review in our school

During the last week, we had the Peers from Essen visiting our school. The first evaluation shows very clearly, that we can be very satisfied with our lessons, the pedagogical lunch, as well as our All Day school.

Of course, there are also smaller details, which we will have to take into consideration and will probably have make some changes with regards to these.

You can read some extracts of the feedback on the notice board at the entrance to the library. We are expecting the overall assessment in about three weeks.

Planning the new academic year

We keep on hearing about families who are planning to definitely leave Accra.

It would be very useful for us, if you could inform us, via email concerning when you and for that matter your children will be leaving our school, of course not until it is very clear.

Thank you very much!

Lanternen walk

We had another nice event last week, our St.- Martin's day celebration. One could observe how proud the children were, as they carried their lanterns and sang traditional songs. We would like to once again thank the planning team for the very good organization.

Reading Day throughout the Federal Republic of Germany

For the second time now, we are participating in the "Reading Day throughout the Federal Republic of Germany. This year the men are supposed to read to our children and pupils. The Ambassador of the Federal Republic of Germany, Mr. Christoph Retzlaff, will personally be reading to pupils in our school on that day.

We would like to express our appreciation for his willingness and are looking forward to his visit.

Library

Mrs. Bertsche will be giving up her voluntary work in the library next summer. It would be nice if parents who are interested, could soon take up this assignment. You are welcome to contact Mrs.Bertsche or me if you are interested or have any questions.

Sun sail

It has finally been completed!!!

The sun sail has now been fixed over the playing ground and is fulfilling its function. I would like to render my sincere appreciation to the parents in the working group. Special thanks to Wyn Ertl.

Absence of headmaster

Due to the loss of a very close family member, my wife and I will not be in Accra from 16. 11. till 20.11. We thank you for your understanding.

Mrs. Shome Yeboa will be representing me during that period.

Dates:

Friday,	07.12.2018	Farmers' day -no school-
Tuesday,	11.12.2018	4 p.m. Christmas concert
Wednesday	12.12.2018	last day in school (extra-curricular-activities will take place as usual)

Best regards,

Steffen Nagel
Headmaster
